#### Clinical Education

Does this program have a requirement for all students to complete at least one clinical education experience for which the students would be required to seek alternative housing or travel accommodations to attend Yes  No

Note: Students are responsible for costs associated with housing, travel and food during clinical education. Programs should add any additional comments about clinical education here.

The College has clinical agreements with facilities throughout the State of South Carolina. Attempts are made to place students in locations within reasonable driving distances from their residence, but this cannot be guaranteed. It is possible, but unlikely, for students to have to pay out of pocket for housing, travel, and food during clinical education.
