Number: 4.039

Page: 1 of 1

Department of
Responsibility: Admissions

Authorization:

Area Commission Chairman

President

Date Approved: March 25, 2003

Last Revised: September 19, 2017

Last Reviewed: December 3, 2024

Pursuant to Federal and State regulations, Orangeburg-Calhoun Technical College will verify the completion of high school for any student who completes the requirements for graduation prior to the school's annual commencement. The College will also verify that the student is no longer enrolled in courses at the high school. No form of state or federal student aid that requires high school completion will be awarded to the student until the early graduation information is confirmed.
