President

Date Approved: November 16, 2004

Last Revised: February 20, 2024

Last Reviewed: November 17, 2020

Orangeburg-Calhoun Technical College participates in a cross registration agreement with Claflin University and South Carolina State University to allow full-time students in good academic standing at the home institution to enroll in one (1) free credit course during the fall and spring semesters at either of the other participating Community Higher Education Council (CHEC) institutions. Students must adhere to established procedures prior to registration.
